

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

Organization	Grant Purpose	Residents Served	Demographic Distribution	Award
<u>A Step Beyond</u>	For academic evaluations and individualized tutoring; referrals to mental health and other support services; and college/career-path planning.	35	100% of students served have incomes of less than 60% of the area's average monthly income and nearly all are minorities. Students continue to struggle academically following distance learning due to COVID-19.	\$15,000
<u>Adjoin</u>	To hire an employment specialist to provide case management, job development and job placement services.	24	Clients are intellectually or developmentally disabled, 80% live on SSI benefits at or below poverty, 20% have incomes less than 60% of the area's average monthly income. Services provided in a qualified census tract.	\$25,000
<u>Alzheimer's San Diego</u>	To provide a Dementia Support Group for San Marcos caregivers.	184	COVID-19 has disproportionately impacted older adults with dementia and their families with increased isolation and significant health and safety concerns.	\$10,000
<u>Arc of San Diego</u>	For a wheelchair-accessible van to be used daily for clients to access community resources, volunteer activities, and rides to work.	20	100% of those served are extremely low-income per federal standards. Organization located in qualified census tract.	\$65,000
<u>BIPOC Support Foundation</u>	To help cover costs of running two, one-week sessions of Explore Next Door Camp during the summer of 2022. Camp will expose participants to the diverse cultures of San Marcos.	50	Camp participants will be elementary and middle school students from families earning less than 60% of the area's annual income.	\$10,560
<u>Boys & Girls Club, San Marcos</u>	Funds will support nine weeks of daily summer programming for students in grades 1 - 12. Youth will participate in academic enrichment, S.T.E.A.M. activities, arts & crafts, outdoor play and more.	300	The Boys & Girls Club is located in a qualified census tract and approximately 76% of families served live in poverty. Participants have been disproportionately impacted by COVID-19 due to required distance learning.	\$25,000

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Boys and Girls Clubs San Marcos</u>	To upgrade technology equipment and connectivity at the Club's 1 Positive Place site. The Club provides safe, supervised programming when children are out of school.	800	Children are from socio-economically disadvantaged families and many from the homes of single parents and essential workers. Services received in a qualified census tract.	\$50,000
<u>Brother Benno Foundation</u>	For bus passes, identity documents, driver licenses, and medical prescriptions for college students and substance abuse recovery clients. To assist in securing permanent housing once recovery programs end.	69	100% of those served have incomes less than 60% of the area's average monthly income. College students are homeless, extremely low-income, and/or foster youth.	\$30,000
<u>Burn Institute</u>	To bring the Fire Safe Kids programs at schools in low-income areas.	1800	Schools served will be located in qualified census tracts and/or have a high percentage of students from families earning 60% or less than the area's median income.	\$9,900
<u>Cardinal Alliance Parent Organization</u>	Funds will help cover the cost of individual and small group coaching for students in the Mission Hills High School Band and Color Guard. Coaches are not school employees.	192	89.3% of students reside in San Marcos and 40% are from low-income families. Funding recommended aligns with the number of low-income, San Marcos residents at the school.	\$15,000
<u>Carrillo Elementary PTO</u>	For twice weekly, after-school academic remediation.	38	Participants are San Marcos-resident, ELL students from families earning less than 60% of the local's area's annual income. Students continue to struggle following months of distance learning.	\$5,000
<u>Casa de Amparo</u>	To provide critically-needed campus security improvements, specifically fencing and a radio booster system. Improvements will mitigate risks to resident foster youth.	125	All foster youth served have incomes below the federal poverty line. They have endured physical, emotional and sexual abuse; severe neglect; and domestic violence. Youth have also been exposed to violence and substance abuse.	\$150,000

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Charity Wings/Gather</u>	To purchase equipment needed to provide outdoor, pop-up art classes with nonprofit community partners.	250	Programs will take place in qualified census tracts and/or serve residents earning 60% or less than the area's median income.	\$2,000
<u>Coastal Roots Farm</u>	For K-5th grade students, in The San Marcos Promise's after-school/summer enrichment program to participate in a five-visit, outdoor Environmental STEM & Nutrition Education program.	96	Of district students, at least 37% are from low-income families, 14% are English Language Learners, and 13% have disabilities. Program targets these students who do not have equal access to safe outdoor learning and academic enrichment activities, both needed during COVID and after months of virtual learning.	\$35,000
<u>Community Resource Center</u>	To provide housing assistance, emergency shelter and counseling for clients at risk of homelessness.	30	Participants earn less than 60% of the area's median income. 35% homeless, 65% immigrants, 15% seniors, and many survivors of domestic violence.	\$50,000
<u>Discovery Elementary PTO</u>	For Tuff Shed and shelving for the school's Makerspace.	145	The Makerspace is used by all students, though funding provided (as a percentage of the request) aligns with the number of San Marcos-resident students from families earning less than 60% of the area's annual income.	\$6,500
<u>Double Peak Music Boosters</u>	To help cover musical instrument rental costs for low-income students.	56	Students served are from families earning less than 60% of the local area's annual income.	\$7,500
<u>Empowering Latino Futures</u>	For a weekly eNewsletter, bimonthly printed magazine, and social media newsletter in Spanish and English. Information targets Latinos and other underserved communities with postings about education, economic relief, financial literacy, food pantries, and health.	6000	Participants are low-income immigrants earning less than 60% of the area's average annual income. At least 25% of those served will have incomes below the poverty line.	\$25,000

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Feeding San Diego</u>	Funds will provide ten months of food distributions to school pantries. 75% of funds will be used for food purchases.	510	Both Joli Ann Leichtag Elementary and San Marcos Elementary are located in qualified census tracts with high numbers of low-income, food insecure families earning less than 60% of the area's average annual income.	\$74,000
<u>Feeding San Diego</u>	For twice monthly food distributions at San Marcos Elementary, serving school families and community members. Distributions were held for 10+ years before school's closure in March 2020, due to COVID-19.	574	Beneficiaries are very low-income and primarily immigrants, including essential workers. Participants live and access services in a qualified census tract.	\$68,000
<u>Foundation for Senior Wellbeing</u>	To connect seniors, caregivers and family members to resources for housing, home repair, transportation, caregiving, food, emergency aid, medical/mental health needs, legal issues and more.	250	100% of seniors served reside in qualified census tracts. Isolation and lack of access to community resources have been particular concerns for seniors throughout the pandemic.	\$10,000
<u>Foundation for Women Warriors</u>	For general operating support, enabling organization to prevent client homelessness and enhance economic well-being through case management, financial literacy training, as well as emergency goods and financial aid.	24	Clients are all female veterans and have incomes of less than 60% of the area's average monthly income. Many are single mothers and suffer from Post Traumatic Stress Disorder and Military Stress Disorder.	\$15,000
<u>Freedom to Thrive</u>	To provide human trafficking (HT) survivors with legal and advocacy services and connections to other needed resources.	10	Services will be provided in a qualified census tract. Participants earn less than 60% of the area's annual income. Survivors have been disproportionately impacted by the pandemic. They are more vulnerable to homelessness, food/job insecurity, domestic violence, extreme financial hardship, and re-exploitation. Non-trafficked individuals are at a higher risk of being trafficked.	\$18,000
<u>Friends of Richland Elementary PTO</u>	To provide \$4,361 for STEAM program and materials, \$4,611 for teacher aide, \$1,121 for instructional supplies.	188	Funding provided (as a percentage of the request) aligns with the number of San Marcos-resident students from families earning less than 60% of the area's annual income.	\$10,093

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Friends of San Marcos Parks and Recreation</u>	Funds will assist in completing work on a pump track for Bradley Bike Park, covering costs related to land grading and soil stabilization.	12000	Bradley Park is located in a qualified census tract and easily accessible to low-income residents.	\$50,000
<u>Girls on the Run</u>	To support spring and fall program scholarships for students at four San Marcos schools. Program enhances girls' mental and physical health as well as social and life skills.	80	Participants are in third through eighth grades and all come from families with incomes of less than 75% of the area's average monthly income and many are minorities.	\$18,400
<u>Honorary Deputy Sheriff's Association</u>	Funds will be used to purchase sports equipment for the San Diego Sheriff's Department RESPECT Project.	50	Participants are teen boys residing in San Marcos from families earning less than 60% of the area's average annual income.	\$24,063
<u>Hope through Housing</u>	To provide safe, supervised after-school programming for children residing in affordable housing.	40	Children are from socio-economically disadvantaged families and many from the homes of single parents and essential workers. Receive services and live in a qualified census tract.	\$20,000
<u>Hope through Housing</u>	To provide safe, supervised after-school and summer programming for children residing in affordable housing.	130	Several sites are in qualified census tracts and approximately 83% of families are very low-income. 64% of families are led by single parents. Youth have been disproportionately impacted by COVID-19 due to required distance learning.	\$40,000
<u>Interfaith Community Services</u>	For case management and access to emergency flex funds, housing/utility assistance, employment resources, mental/behavioral health, food and hygiene items, and other services.	120	Clients are primarily seniors residing in qualified census tracts. At least 90% of clients served will have incomes below the federal poverty line.	\$100,000

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Joli Ann Leichtag Elementary PTO</u>	For field trips, books, onsite activities, playground equipment, supplies, teacher appreciation gifts, and spirit wear.	380	This is a low-income school, located in a qualified census tract.	\$18,500
<u>Just in Time for Foster Youth</u>	For emergency support needed for stability, including health/wellness, basic needs, transportation, education, employment, financial literacy, and home furnishings.	18	Participants are transition-age foster youth and have incomes less than 60% of the area's average monthly income. Many struggle with health issues, unemployment and homelessness.	\$25,000
<u>Kid's College</u>	For the Fortissimo Orchestral Music Program, providing weekly music classes at five San Marcos schools, totaling 600+ hours of instruction plus performances and concerts each school year.	200	Offices and two schools located in qualified census tracts. Most participants have incomes less than 60% of the area's average monthly income.	\$35,500
<u>Kids' Turn San Diego</u>	To provide discounted family counseling workshops. Sessions are aimed at healing and strengthening parent-to-parent and parent-child relationships while preventing exposure to domestic violence, high parental conflict and child abuse.	75	Participants are divorced, single parents and their children. Families earn less than 60% of the area's average annual income. Families are struggling financially and considered economically disadvantaged.	\$7,500
<u>Knob Hill Elementary PTO</u>	To provide a formalized arts education program for students in partnership with Escondido Center for the Arts.	279	Funding recommended (as % of request) aligns with number of San Marcos-resident students from families earning less than 60% of the area's annual income.	\$15,480
<u>La Costa Meadows PTO</u>	\$1,400 for academic enrichment and remediation resources and support	15	Funding recommended (as % of request) aligns with number of San Marcos-resident students from families earning less than 60% of the area's annual income.	\$1,400

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>La Jolla Playhouse</u>	For performances of HOOPLA, which explores the meaning of friendship at four low-income San Marcos schools. Pre- and post-show workshops also provided.	400	Performances will take place at schools either located within qualified census tracts or at schools where the majority of students are from families earning less than 60% of the area's average monthly income.	\$10,000
<u>La Mirada Academy PTO</u>	For a popcorn machine, hotdog steamer, projector screen, and a mobile refreshment kiosk for PTO fundraising/school programs. To help cover costs of field trips, sports equipment/uniforms, and after-school tutoring for 50 students.	907	100% of the school's students are from San Marcos-resident families earning less than 60% of the local area's annual income.	\$23,650
<u>Leap to Success</u>	For a series of counseling and coaching programs that provide women with the skills and tools needed to break generational cycles of violence, dysfunction and poverty.	20	Participants are women overcoming domestic violence (75% of women served), homelessness, and other major life challenges. Clients will earn less than 60% of the area's average annual income. Many receive public assistance.	\$20,000
<u>Legal Aid Society of San Diego</u>	To aid clients at risk of homelessness by providing flexible funds for moving, utilities, and transportation costs and groceries. Funds not to be used for rent.	35	Participants will either reside in qualified census tracts or earn 60% or less than the area's median income.	\$25,000
<u>MAAC Project</u>	For no-cost childcare and comprehensive, individualized career and education planning, case management, and support with work or education expenses.	420	Participants live below the poverty line, 34% of the average household income level in San Marcos. Participants are predominantly people of color and unemployed or underemployed.	\$50,000
<u>Mama's Kitchen</u>	To prepare and provide 2,024 medically-tailored meals to critically-ill San Marcos residents.	30	Most clients earn less than 60% of the local average monthly income and have debilitating illnesses.	\$5,000

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>MANA de North County San Diego</u>	For an Hermanitas Mentoring Program at La Mirada Academy. Program fosters positive self-esteem; promotes good mental and physical health; and encourages college attendance to break the cycle of poverty.	24	Participants are Latina, 7th grade students and 100% come from families with incomes less than 60% of the area's average monthly income.	\$2,200

Twin Oaks High School (via San Marcos Promise as fiscal agent)	<p>For the Positive Behavior Rewards System. An alternative school, Twin Oaks supports students to overcome obstacles to recover academic credits. Administrators created this successful system to award attendance, participation, and achievement.</p>	<p align="center">1200</p>	<p>At least 59% of students are from families earning less than 60% of the area's median income, 16% are homeless, 7% are foster youth, 47% are ELL, 18% have disabilities. School also serves teen parents. Virtual learning was particularly problematic as many students were already avoiding school and encountering attendance obstacles.</p>	<p align="right">\$16,000</p>

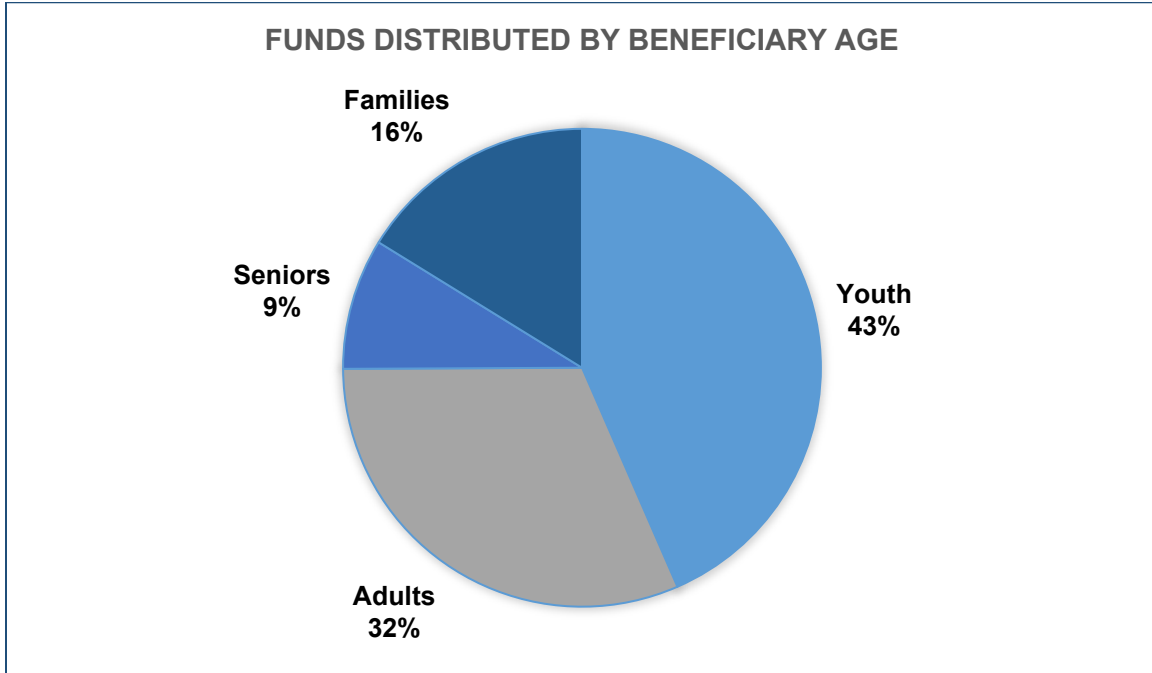

**San Marcos COVID-19 Community Grants Program
September 2021 - May 2022**

<u>Unitarian Universalist Refugee and Immigrant Services and Education</u>	To provide the immigrant community with information about legal status options, rights, and resources; direct legal services; Emergency Safety Planning; and entrepreneurship education.	216	Immigrants have been disproportionately and negatively impacted by the pandemic due to limited healthcare and financial assistance options, lack of access to government benefits, high rates of poverty and limited English proficiency.	\$30,000
<u>Voices for Children</u>	Funds will help cover the salaries of staff who orient, supervise, and support Court Appointed Special Advocate (CASA) volunteers. CASAs are consistent, caring adults who advocate in court on behalf of foster children. They ensure that children's educational, physical and mental health, housing, and other needs are addressed.	4	Due to COVID, foster children entered this school year with larger learning gaps than their peers. Many had no access to in-person or distance learning during the early days of the pandemic and experienced excessive loneliness and anxiety. Children continue to struggle with these issues. They are presumed by definition to have no incomes by the U.S. Department of Housing and Urban Development.	\$10,000
<u>Women of Promise</u>	To assist women in accessing resources for food, transportation, emergency shelter, clothing, diapers, personal safety, and employment.	120	Organization located and services provided in qualified census tract. At least 75% of those served live in poverty.	\$10,000
<u>Words Alive</u>	For the Read Aloud program, which includes facilitator training and 20 weeks of programming for 125 learners in grades 1– 5. Students will receive new copies of books to keep, basic school supplies, and tailored hands-on project supplies to further explore stories.	125	The program's primary location is the San Marcos Boys & Girls Club, located in a qualified census tract. Approximately 76% of students will come from very low-income families and 66% are ELL. COVID-19 caused at least a full year's loss in learning for students. The disruption caused by school closures disproportionately and adversely impacted very low-income students.	\$30,000
<u>Wounded Warrior Homes</u>	Post-9/11 veterans with traumatic brain injuries and post-traumatic stress disorder receive counseling, intensive case management, food pantry access, housing assistance, and job search support.	35	Beneficiaries are disabled veterans who receive services in a qualified census tract.	\$40,000
Total		55,246		\$2,351,429
